

# TUBE FACER

## TF 4.5

The TF 4.5 tube facer is expertly designed for precision work, accommodating tube sizes ranging from 6.0 to 114.3 mm (0.25" to 4.52"). For enhanced convenience, a stand is included as standard, ensuring flexibility and ease of use across various applications with its durable aluminum clamping collars. This versatile design ensures reliable performance in any work environment.

### TECHNICAL DATA

- Speed-controlled electric motor
- Range: 6,0 to 114,3 mm (0.25" to 4.52")
- Clamping collars: durable aluminium
- Stand and Transport box included
- Dimensions (L x W x H):
  - 300 x 295 x 295 mm / 11.81 x 11.61 x 11.61 in
- Weight:
  - 12,0 kg / 26.46 lbs
